## Neighbors in Need Offering

To Be Collected **Next Sunday, October 6**

Neighbors in Need is the UCC's annual offering to support ministries of justice and compassion throughout the United States. One third of the offering supports the UCC's Council for American Indian Ministries (CAIM). Two-thirds of the offering is used by the UCC's Justice and Witness Ministries to fund a wide array of local and national justice initiatives, advocacy efforts, and direct service projects.

Neighbors in Need grants are awarded to UCC churches and organizations doing justice work in their communities. These grants fund projects whose work ranges from direct service to community organizing and advocacy to address systemic injustice. This year, special consideration will be given to projects focusing on serving our immigrant neighbors and communities.

### Communion for Shut-ins Ministry

Wednesday, October 2 | 11:30 am

Bell St. Lounge

Communion is a solemn and sacred moment between God and you. Imagine how you would feel being unable to participate in Communion with your church family because of a prolonged physical or mental condition?

The Congregational Care Commission is sponsoring a light lunch followed by training to provide Communion to the Confined.

Individuals who feel called to this ministry should register to attend this session led by Senior Pastor, Rev. Hamilton Throckmorton. Once trained, you will serve the Sunday's communion elements to shut-ins in their homes at a mutually agreed upon time.

During the training you will learn about the Sacrament of Communion including its meaning and how it could be served to individuals in different situations.

If you have any questions, please contact Peggie Jo Shinagawa at 440.543.5974. You may register for the training by calling 440.247.6490.

### Tributaries: Reiki I & II Training

Reiki is a Japanese energy healing technique that promotes health & well-being, relieves stress, promotes deep relaxation, speeds recovery from illness & injury, and reduces pain. Learn to use this energy in your everyday life to support yourself, family and friends.

This ancient practice is growing in acceptance. Participants will learn the history, receive the Reiki I & II attunement, and practice in a supportive learning community. You'll go home with skills you can use immediately.

The class combines lecture, discussion, attunement, meditations and experiential practice in a well organized, but relaxed program. A certificate for Reiki I & II Training is awarded upon completion.
