*live your faith*

***We are so glad you've chosen to worship with us today!***

*We welcome you to The Federated Church, a place to belong and a place to become. We are people just like you, who hope and love and hurt, and we have found that Jesus Christ makes a transforming difference in our daily lives. Your presence matters to us. We open our hearts to you.*

God accepts me just as I am, and loves me too much to leave me that way. Federated accepts all people as they are and supports them in the spiritual journey. With Christ we offer hope and healing to change our world.

## Capital Campaign Parking Lot Project Begins August 9

On Monday, August 9, we will break ground on our Capital Campaign Parking Lot Project. The result of this much needed project will be a heated hill and sidewalk along with other improvements. This will affect parking at the Federated Church for several weeks to allow time for concrete to cure. We will have full use of the parking lot by Rally Day (September 12), sooner if possible.

Throughout the project, the Bell Street driveway and the "cut through" drive from Heinen's will be closed and there will be signs to indicate the needed diversions. We apologize for the inconvenience, but look forward to the result! During this time if you are participating in an activity at the church, please plan accordingly and be prepared to park elsewhere. The Heinen's lot offers free three hour parking and the school lot is also available for use, including for Sunday worship. On Sundays, please feel free to utilize the drop off area located on Bell Street for our members who need closer access..

Should you need assistance, wish to park in the drop off area during the week or wish to investigate moving your group to the Family Life Center temporarily, please contact our Senior Director of People and Operations, Melissa Owen: 440.247.6490 ext. 110.

## "Our Piano Future" Benefit Concert is now available online!

Those in attendance at the July 25 Special Meeting of the Congregation voted unanimously to move forward with the purchase of a new piano. The presenters of the concert also provide a thorough explanation of the need, the research done as part of the selection process and the long-term benefits to Federated of a quality instrument.
