- **Plastic - Empty, rinse, replace cap – include only household bottles, jugs, jars that have a neck which is narrower than the body of the item.**
- **Paper - Newspapers, magazines, catalogs, office and computer paper, junk mail, telephone books, hard (cover removed) or soft cover books, envelopes, (hard, windowed), flattened cardboard packing boxes and lightweight cardboard boxes, rolls, tubes, cores, shredded paper—must be bagged.**
 - **NO gift-wrapping paper, paper towels, napkins, tissue paper**
 - **NO milk cartons, juice boxes, takeout food containers, oily pizza boxes, or packing material**

****Plastic Bags - You can bring your plastic bags for recycling to the bins at Giant Eagle, Heinen's, Walmart, Target, Drug Mart****

Check for new information on recycling: Because items that can be recycled change often, the best way to learn what can be recycled is to go to one of the websites listed below. You can also contact your waste pick up company for the latest information.

Visit these websites often. All these sites are quite informative and easy to navigate.

Electronic Recycling Drive

Federated Church SJAM hosts an Electronic Recycling Drive each year. Be sure to collect your electronics and save them for this recycling drive. Date and information will be available when the event is scheduled. Or find other places that take your electronics for recycling. Do not put them in the garbage or landfills.
