One: God desires to gather us.

All: She gathers us together,

One: Her wings spread out before us,

All: Her presence, all around us.

One: To nurture is her nature.

All: To mother is her gift.

One: For our safety, she reaches.

All: For our good, she moves.

One: Sheltering over us,

All: She is our fortress.

One: Deep in her underwing,

All: She is our strength.

One: Because of us, she is wounded.

All: By her wounds we are saved.

One: Until all fear is gone,

All: until the work is finished,

One: in her, we find our justice.

All: In her, we find our peace.

We fear sickness in our homes
and violence in our world.**
