*Now there are varieties of gifts, but the same Spirit. – 1 Corinthians 12: 4*

Dear Friends,

It is my great joy to join the community of Federated Church as your Designated Associate Pastor. As I anticipate the time that we will share together, my spirit is full of gratitude and excitement. I have been learning about what a wonderful congregation you are: your Christ-centered ministries of love for the world, your energy and commitment to justice ministries and creation care, your gifted staff, and, most of all, you, the people of this church. I know that you bring a variety of different gifts in response to the love of God, the peace of Jesus Christ, and the courage of the Holy Spirit.

I have a deep love for the life of the church. I have been immersed in this love since childhood, when my grandmother created and nurtured children's ministries in our church in a way that was ahead of her time. Over the years, I have served congregations as Director of Faith Formation, a role that led me to seminary where I found my calling to ordained ministry. I come to you having recently moved back to Ohio from Boston where my husband, Matt, was serving as senior minister at a UCC congregation. While there, I earned my Master of Divinity at Boston University School of Theology and was approved for ordination in the United Church of Christ. During this time, I served as a Seminarian at Old South Church in Boston and as a Chaplaincy Fellow at Wellesley College, and I completed Clinical Pastoral Education at Brigham and Women's Hospital. These were wonderful years, but now we are glad to be home. Our grown sons live in the Midwest (one of them right here in greater Cleveland), as do many members of our extended family.

I am passionate about the sacred and diverse creation of God into which we are born, both in the natural world and in the lives of people as diverse as the cultures from which we come. I believe that each local church ministry is made richer when we welcome people from different backgrounds and walks of life. The act of making the inclusiveness of God's love real in our congregations, and in relationship with our neighbors near and far, is central to my call to follow in the way of Jesus and in my call to congregational ministry.

The Church has always been enriched by a variety of gifts and services, united by God's Spirit. I look forward to joining you in this community of God as we minister together!

With Joy and Thanksgiving,  
Betsy

## Worship Themes for Easter Season

Worship themes for the season of Easter this year will explore the theme "This Christian Life," and will explore what it means to live as a Christian, a follower of Christ, in these days. Most of us have numerous associations with the word "Christian," some appealing, and some, no doubt, not so appealing.

During the Easter season during the month of May, we'll delve into how we might fully claim that identity as Christian. Join us!

**May 1:** Special guest preacher, Tom Trenney, from First Plymouth Church in Lincoln, NE, who will reflect on the enduring spiritual significance of Mr. Rogers (who was, incidentally, an ordained Presbyterian minister). The reading will be Luke 10:25-37.

**May 8, Mother's Day:** Psalm 23 and Christian Comfort

**May 15:** Revelation 21:1-6 and Christian Quenching

**May 22:** John 14:23-29 and Christian Peace

**May 29:** John 17:20-26 and Christian Unity

# Greetings from the Church Council

## *A Message from Rick Bryan, Moderator*

May the grace and peace from God be with you all.

Too often, the congregation only hears from the Church Council during the Annual Meeting in February, or if there is a special announcement or issue. The goal in this message is to update you on the important work the Church Council is doing on your behalf.

The Council meets the first Tuesday of each month from 7 – 8:30 PM. Since the pandemic, we have been meeting via Zoom. Our meetings open with prayer, and a report from our clerk, Peggie Jo Shinagawa, who has been so attentive and responsive to the constitutional and policy guidelines of the church.

We receive formal reports from Rev. Hamilton Throckmorton and Melissa Owen, Senior Director of People & Operations, which are helpful updates on the spiritual and operational life of Federated Church. There are often questions from these reports, which leads to interaction among all members of the Council.

The current Church Council members are Brendan Buescher, Past Moderator; Peggie Jo; Doug Harlan; Alexandra Ziots; Dan Kershner; Diane Tuuri; and Kelly Kimball. Hamilton Throckmorton is a voting member of the Church Council. Melissa Owen is a non-voting member of Council.

As outlined in the Annual Meeting in February, the Council's focus is two-fold. The first is the oversight of the Associate Pastor Search Committee. The second is the implementation of the Visionary Action Plan (VAP); the strategic blueprint for Federated Church in the next three to five years. In the past months, we have formulated our tasks in assigning action steps to each of the six commissions and six committees.

Our initial focus has been on the overlap between the Worship and Music Commission and the Congregational Care Commission. In the month of May, we will focus on the Telling Our Story Commission.

We could use your help in terms of your time and talent in serving on the Church Council, or one of the Commissions or Committees. This is a direct nudge to recruit and solicit you to become involved in the life of the church, beyond simply attending worship. Some of you are quite active in one of our ministry teams, for which we are grateful. Some have served as a church leader in prior years and feel it is time for others to step up. We remain grateful for your past work and faithful expertise.

In the past few weeks, five members of the congregation have been elected to a commission or committees. Thank you to Carolyn Shaul, Phil Fogarty, Rose Brown, Dawn Herdman, and Betsy Mast.

Generally, these appointments are three-year terms. Commission or committee meetings average once a month for an hour to 90 minutes. There is a chair of each group.

The six Church Commissions are:

**Worship and Music** – Glorifying God in Worship and Communion

**Congregational Care** – Bonding our Federated Church Community

**Spiritual Life** – Encouraging being Shaped in the Christian Gospel

**Mission and Service** – Encouraging Involvement in Mission and Service to the great community.

**Telling our Story** – Sharing our Faith

**Generosity** – Sharing our Resources

Each Commission has openings for an interested member of the congregation. The greatest need is in the Worship and Music Commission. They work to glorify God and to coordinate and enhance the spiritual life of Federated Church through the conduct of public worship, the ministry of music, and the care of the Sanctuary and furnishings. As well they prepare the elements and assist with the serving of Communion on the first Sunday of each month.

Next month, we will highlight the church standing committees. Please consider joining our lay leadership team at Federated Church. Contact Peggie Jo Shinagawa at [pjshinagawa@windstream.net](mailto:pjshinagawa@windstream.net) or 216.401.2287.

## Fellowship Treats

We are **so excited** to be starting Fellowship Hour back up again after Sunday worship services. And that means we're in need of fellowship treats!

We will go back to our alphabet list as before. Members of the congregation take turns bringing in treats for fellowship time following the service on Sundays, as scheduled by the Congregational Care Commission.

Please bring ready-to-serve treats in disposable containers. Healthy food choices are especially welcome. *Please no nuts.* Thank you for helping to make our fellowship time delicious and enjoyable!

## Communion to the Confined Ministry Training

**Sunday, May 22, 11:30 AM**

**Lounge**

Communion is a solemn and sacred moment between God and you – so imagine how you would feel being unable to participate in communion with your church family because of a prolonged physical or mental condition?

The Congregational Care Commission is sponsoring training to provide individuals who are confined. Persons who feel called to this ministry should register to attend this session led by Senior Pastor Rev. Hamilton Throckmorton on **Sunday, May 22 at 11:30 AM in the Lounge.**

Once trained, you will serve the Sunday's Communion elements to shut-ins in their homes at a mutually agreed upon time. During the training you will learn about the sacrament of communion including its meaning and how it could be served to individuals in different situations.

If you have any questions, please contact Peggie Jo Shinagawa at 216.401.2287 or [pjshinagawa@windstream.net](mailto:pjshinagawa@windstream.net), or Hamilton at 440.247.6490 x110 or [hamthrock@fedchurch.org](mailto:hamthrock@fedchurch.org). You may register for the training [on REALM](#) or by contacting Peggie Jo.

## Parish Nurse Corner

### *A Message from Tim Walters, St. Paul's Director of Outreach*

Greetings All,

Spring has sprung – sort of. It has been an interesting time so far as there has been a certain lack of consistency in our weather. Business has remained brisk as many come to us each week to replenish hygiene, health and household needs. It is indeed our own version of the 3H club.

I thought I would use my space this time around to list some of what we need on a regular basis:

Deodorant for both men and women,	household sponges,
cocoa butter lotion,	body towels,
Band-Aids,	wash rags,
sports adhesive tape,	belts,
nail clippers,	cotton swabs,
combs and hairbrushes,	2X and larger T-shirts and
dish soap,	new underwear
laundry detergent (preferably pods),	

Yes, it is a long list and there is certainly more, but I will stop at this point. We are of course very grateful to all that is received. If you have ever wondered if you really make a difference, rest easy because you do. No matter how small, we make sure that it goes to those in need. Thank you from us and them.

## St. Paul's Thrift Store Collections

**This month: Saturday, May 21 ONLY, 9 AM–2 PM**

The St. Paul's Thrift Store is a very important ministry of our long-standing relationship with this community church on the near west side of Cleveland. Proceeds from the sales of goods from the shop support the operations of the church and their outreach programs. Knowing how important the Thrift Store is and needing to fully engage our congregation and the wider community in that ministry... We are changing how we collect treasures for the St. Paul's Thrift Store.

**The third weekend of each month, we will have the mission trailer and volunteers in the church parking lot to receive your donations.** Each month we may have specific requests for types of items and we will always reserve the right to turn certain items away.

Things that are not acceptable to donate. Old TVs (that are not flat screen), winter skis and ski boots, anything that has broken parts, used undergarments.

We will accept gently used items and clothes that still have a good life ahead of them. If you don't want it because it is damaged or stained, please dispose of it so we don't have to.

Thank you for continuing this ministry in this new way!  
The Mission and Service Commission

## Fund Development Update

Our Generosity Impact Moments (GIMs) during Sunday services celebrate the many ministries, committees, and commissions that perform the work of God here at Federated because of your generosity. The GIMs also teach us how to support, worship, act, and grow as we live our faith. One delightful outcome arrived after a Generosity Impact Moment showcased our Altar Flower Ministry. Along with financial support of this ministry, the member wrote...

*"Our Altar Flower Ministry is an important part of our church culture, enabling us to honor those present and remember those who have passed, to commemorate a moment in time, and to brighten the Sanctuary and our lives."*

What a beautiful sentiment that expressed the donor's gratitude, along with a heartfelt act of financial generosity. Thank you!

And look at this extra special gift we received on the back of a Sunday worship service cash envelope. Such talented members and friends we have!

We are so blessed! More Generosity 2022 Intentions have been submitted resulting in pledges for this year totaling \$1,004,800+ from 310 households.

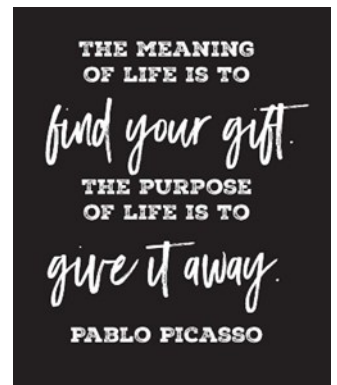

It will be exciting to see new and resurrected ministries come alive this year because of your investment. Thank you!

As of April 19, our UCC Ukraine Relief Emergency Appeal giving opportunity has raised over \$7,000. As a member of the ACT Alliance (140 faith-based member organizations working in long-term development, advocacy, and humanitarian assistance), UCC support is being targeted to people most in need through humanitarian relief partners with a history of working in the region. Uniting in prayer, action, and giving, we stand as a people of faith in love and compassion with the people of Ukraine and all who are affected, and with the UCC's global partners who are welcoming those driven from their homes.

**Jesus Gave. We receive. And we share.**

With Gratitude,  
Laura
