live your faith

We are so glad you've chosen to worship with us today!

We welcome you to The Federated Church, a place to belong and a place to become. We are people just like you, who hope and love and hurt, and we have found that Jesus Christ makes a transforming difference in our daily lives. Your presence matters to us. We open our hearts to you.

Our Mission Statement

God accepts me just as I am, and loves me too much to leave me that way. Federated accepts all people as they are and supports them in the spiritual journey. With Christ we offer hope and healing to change our world.

A Special Invitation from AHA and SJAM

Fellowship Hall

Federated member Warren "Skip" Heston, PhD will present a talk on the features associated with the embryology of the development of male and female sexual dimorphism and how that timing differs from brain development and gender identity. He will be discussing the impact of endocrine disrupters on development especially the period immediately following birth. Many of these disrupters are associated with plastics and need public education of their negative potential on fertility and development.

Skip recently stepped down following 10 years of serving as Co-Director Endocrinology and Reproductive Biology and teaching a course on the biology of reproductive stem cells of the CCLCM School of Medicine.

The Last Hurrah of Marty's Art

You may know Marty as a Federated Church's in-house photographer. We've all seen many of her beautiful slides enhancing our church services.

Look for her fascinating pictures hanging in the first floor hallway Gallery Space and in the entryway. This may be your last chance to view Marty Culbertson's framed Nature Photography! She'll be taking it down this summer. They make great gifts for birthdays, or other special occasions, too. If you would like to purchase one of these beautiful pictures, contact Marty at mculbert@fedchurch.org.
