# In the Interim...

*Five Strategic Themes identified in the Federated 2021 Visionary Action Plan:  
Energize Participation. Community Engagement. Spiritual Deepening.  
Congregational Care. Financial Sustainability.*

Dear Friends,

Earlier this year, many of you participated in one of the listening sessions held jointly by the Pastor Search Committee and the Transition Team. The information shared in these sessions was critical for the work of both groups as the search committee created a compelling profile and the transition team identified items on which to work to help the congregation be prepared for the new pastor's arrival.

The sessions included three questions: what are the strengths of the church; the qualities you seek in a new senior pastor; and what is God calling the church to be. The first two questions prompted lots of response while the third question about what God is calling the church to be was one where many people struggled to respond.

With the summer behind us and the search process moving forward, it seems prudent to reconsider the important matter of where the Spirit is guiding the church in the near future. Having a clear sense of this call will help all of you as well as the new pastor who will join you in 2026.

To help reconsider this important question, I will lead a series of small group gatherings throughout the months of October and November that will help you focus on listening for the Holy Spirit. We will begin each session with prayer and then, through a series of questions, I hope to help you identify where the Spirit is leading and what action steps we might plan to help you move into this exciting future.

To ensure that every voice has a chance to be heard, the groups will be limited to a maximum twelve participants and will require sign up in advance. To sign up for the date and time of your choice, please [click here](#). While I would prefer to meet with all of you in person, we will make a limited number of slots available via Zoom to meet the needs of those who would like to participate but whose schedules prevent them from attending in person.

Think about all the things that have happened in the last month: we welcomed Oliver Mason who has our youth groups engaged and preparing for a fruitful year; we had a FABULOUS Rally Day celebration and we welcomed 15 new members! We want to build on this energy and momentum but need to make sure we are moving in the direction the Spirit is calling us to. Please join me for an opportunity to more fully determine where God is leading this church in the near future!

Shalom,  
*Vicki*

## New Healing Room at Federated

Room 330 has been repurposed as a "Healing Room." It has been appropriately painted the color of Meditation Blue, and offers a space for healing activities and practices. There is a labyrinth on the floor to walk, and a cozy corner for pastoral care or counseling, spiritual direction, or just a heart-to-heart conversation. A centering prayer group meets there on Sunday mornings at 9:15 AM and anyone is welcome to join. We have massage/reiki tables if you would like to offer a treatment to someone. Or you may just want to go into the room and sit and breathe in its calming, peaceful atmosphere.

If you would like to use the room, please sign up on the calendar, or get in touch with Thea Mazingo ([tmozingo@fedchurch.org](mailto:tmozingo@fedchurch.org)) to be put on the schedule. This is a new ministry space here at Federated, and is still evolving. Please let us know your thoughts / hopes / dreams for this space. Email Thea at above email address.

At our 2024 Annual Meeting, the Church Council brought forward for a vote whether to keep the Family Life Center (FLC). At that time, the current capital needs of the building were presented and discussed at both listening sessions and the Annual Meeting. The congregation overwhelmingly voted to keep the FLC.

In 2025, the Church Council recommended, and the congregation approved, a capital campaign for capital expenses at the FLC. As owners of the building, we are responsible for major maintenance and capital upgrades. Funds raised during this campaign will be allocated to those expenses.

We have received 55 pledges to date and are still accepting pledges for this three-year campaign. Please contact

# ENVIRONMENTAL TIPS FOR THE MONTH

### PUMPKINS FOR WILDLIFE

READY TO DISPOSE OF YOUR HALLOWEEN PUMPKINS? A BETTER WAY THAN THROWING THEM IN THE TRASH IS TO LEAVE THEM IN YOUR BACKYARD OR WOODS TO FEED THE LOCAL WILDLIFE. SQUIRRELS, DEER, RACCOONS, FOXES AND MANY OTHERS WILL ENJOY THE TREAT! THE PUMPKINS SHOULD BE WITHOUT PAINT, CANDLES ETC.

### LEAVE THE LEAVES!

DID YOU KNOW THAT 94% OF MOTH SPECIES RELY ON THE LEAF LAYER TO COMPLETE THEIR LIFE CYCLES? MANY OTHER SPECIES ALSO LIVE IN THESE LEAVES. AND CATERpillARS ARE THE MOST IMPORTANT FOOD SOURCE FOR BABY BIRDS. THAT'S WHY IT'S IMPORTANT TO LEAVE FALLEN LEAVES IN THE GARDEN, ESPECIALLY UNDER TREES. AND INSTEAD OF GOING TO THE LANDFILL AND RELEASING METHANE, A POWERFUL GREENHOUSE GAS, THEY BREAK DOWN NATURALLY AND NOURISH YOUR PLANTS. LEAVING PLANT STALKS, ESPECIALLY FROM NATIVE PLANTS, IS IMPORTANT TOO AS MANY BENEFICIAL INSECTS OVERWINTER THERE.
