Wedding Planning

The officiating pastor and an administrative staff member will meet with you and your future spouse to plan the service. This will allow our staff to get to know you and reflect on your special day. At that time, we can also provide a list of scripture readings and hymns that are often used for weddings.

Wedding Ministry

The Federated community is here to help you in this exciting journey. Our Wedding Ministry is a team of volunteers who will provide help on your special day. Wedding hosts serve before, during and after the service. They will be part of the planning for your service and will be in contact with you and your family.

Additional Services

We are able to provide additional services upon request, such as wedding bulletins, guest books, vendor recommendations and other resources.

Costs

There are fees associated with a wedding. We will provide you with a list of these prior to meeting with staff.
