\* **Call to Worship**                                      Marty Culbertson

**One:** Come, people of God, weary and hopeful, certain and questioning.  
Come with hearts open to the mystery that binds us all.

**ALL:** **We come seeking what is deepest and most true— to love and be loved.**

**One:** Before doctrine, before difference, before even faith itself— there is love, the heartbeat of creation.

**ALL:** **Love that calls us into being; Love that heals what is broken; Love that makes us whole.**

**One:** The prophets spoke of it, the teachers embodied it, and the Spirit still whispers  
It into every generation: "Love one another."

**All:** **We will love with courage. We will love with compassion. We will love beyond boundaries and fear.**

**One:** For in every act of kindness, every reaching across divides, every moment of grace offered or received, the Holy is revealed.

**ALL:** **This is our worship: to live in love, to move through love, to be love. Let us worship God, the Source of all Love.**

\* **Opening Hymn**                                      *Love Divine, All Loves Excelling*                                      No. 517

**Message for the Young at Heart**                                      Oliver Mason

respect.  
love.**
