\* **Call to Worship**

Todd Smith

One: Come, people of God, the dawn is breaking! A new day rises where sorrow had settled in.

**All: The dawn is breaking – and we rise with it.**

One: Where burdens have bent us low, the Holy One draws near, steadying our steps.

**All: The Holy One draws near – and we gather our courage.**

One: Where yokes have weighed on shoulders and spirits, God is loosening what has held us down.

**All: What held us down is lifting – and we move toward freedom.**

One: Come, all who yearn for justice; all who hope for healing; all who hunger for joy.

**All: We come to the dawning way, we come to the hopeful way, we come to the way God makes glorious as we gather to worship together.**
